About Evol Network

- ❖ EVOL coins is designed to function in a blockchain *ecosystem* that provides an Affiliate Network which advertises a product or a service offering a cryptocurrency reward for promoters who successfully refer a converted user.
- ❖ **Evol Network** is a virtual decentralized cryptocurrency that is entirely yours and only works for you, introducing EVOL coin.

What is Cryptocurrency?

Cryptocurrency is a form of payment that can be exchanged online for goods and services. Cryptocurrencies work using a technology called blockchain. Blockchain is a decentralized technology spread across many computers that manages and records transactions. Part of the appeal of this technology is its security.

- ❖ Exchange on our Platform

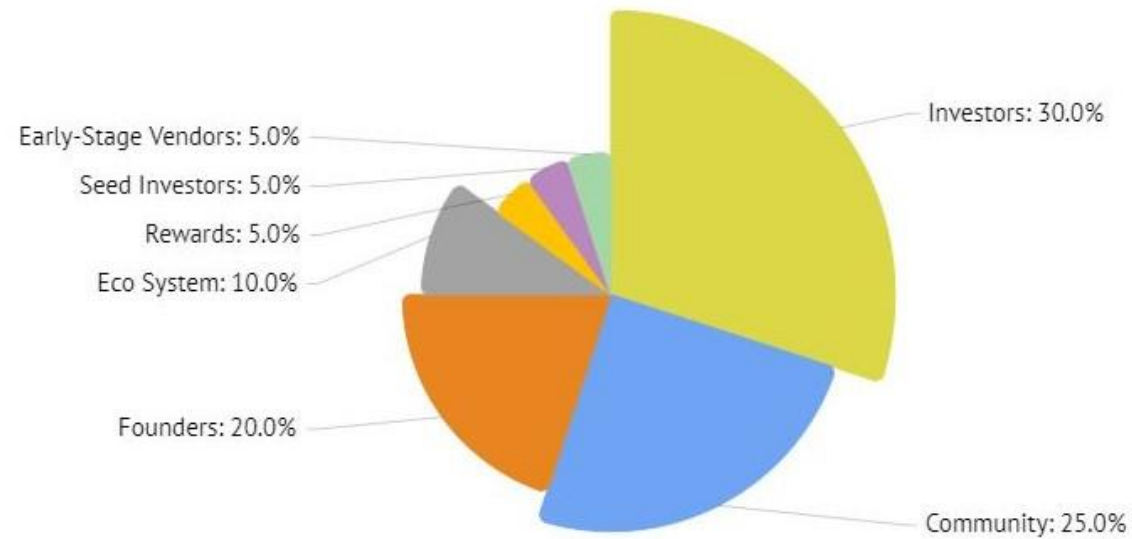

Evol Network – Digital Cryptocurrency

Evol Network – The Ultimate affiliate marketing platform

❖ **Evol Network** is a virtual decentralized cryptocurrency that is entirely yours and only works for you, introducing EVOL coin.

EVOL Coin Distribution

What is the Presale?

Pre-sale is defined as a short duration where investors can fund a cryptocurrency project before it becomes publicly available; often for a discounted buy-in price.

You may already know that an Initial Coin Offering (ICO) is when a new cryptocurrency idea becomes available for the public to invest in. A pre-sale always comes before an ICO with better prices and a lower fundraising target. Some projects need a pre-sale to support the costs of doing a big ICO.

What are the benefits of Evol Network Presale?

- During a private sale, when they are offered significant bonuses or discounts.
- Pre-ICO tokens are offered with a significant discount and bonus.
- Bonus will be a profit for you when tokens get on the exchange.
- The sooner you buy tokens, the better. The first backers who receive the enormous profit from placing the token will be on the exchange.
- A presale event consists of funding from family, friends, close associates, and investors with large capitals, while an ICO consists of funding from the general public.

Evol Network Member plan

Anyone can be a member of the Evol Community.

EVOL Members

- ✓ All members of **EVOL NETWORK** Will have a unique referral code.
- ✓ The holder of a minimum of **1 EVOL coin** will be a **Member**.
- ✓ Depending on your membership type, your referred member will also get a discount when using your code.

Example:

- For example, John is a **Member** holding less than **5,000 EVOL coins**. Jane is a friend of John's, and John has referred her to **EVOL NETWORK**. Whenever Jane purchases **EVOL coins**, she will get a discount of **5%**.
- So considering the above example, Jane purchased **100,000 EVOL coins** for the price of **1 Ethereum**, she will get an additional **2,000 off-chain EVOL coins**.

Silver Member

- ✓ All members of **EVOL NETWORK** Will have a unique referral code.
- ✓ The holder of 5,000 EVOL coins will be a **Silver Member**.
- ✓ **Silver Members** can earn a **2% commission** on each referral sale of EVOL coin for a limited time.
- ✓ Depending on your membership type, your referred member will also get a discount when using your code.

Example:

- For example, John is a **Silver Member** holding 5,000 EVOL coins. Jane is a friend of John's, and John has referred her to **EVOL NETWORK**. Whenever Jane purchases EVOL coins, John will get a commission of 2% worth of Ethereum or EVOL coins, depending on his choice. Jane will also get a discount of 5%.
- So considering the above example, Jane purchased 100,000 EVOL coins for the price of 1 Ethereum, she will get an additional 5,000 off-chain EVOL coins. At the same time, John receives 2,000 EVOL coins or 0.02 Ethereum.
